

“The Princes’ Islands Children and Youth orchestra music program has grown from strength to strength in the past year and the pupils involved have excelled in both their confidence and playing ability. They have experienced playing a wide range of musical styles and been given the opportunity to perform at many venues. The introduction of a choir and ‘beginners’ group at the recent concert proved a great success and gave the youngest members of the project a chance to perform to an audience in a well known location. The scheme is a great success due to a dedicated team of people led by the devoted Ayten ____ and it is a privilege to be part of this wonderful organisation.
